**MEMORANDUM FOR: The Archivist
National Archives**

SUBJECT : Memorandum of Appreciation

1. I would like to express my appreciation for the excellent and timely support provided to members of my staff in the preparation of an Indochina Map Folio. The Document Restoration Branch interrupted its normal schedule to accomplish the lamination of our maps under a very short deadline. The Folio will provide the President and other high-level Government officials with a most useful reference aid.

2. Please extend my appreciation to James Gear, Wilbur Poole, and George Bathis, Jr. for their effective contribution to this intelligence effort.
